

AGENT/OPERATOR COLLABORATION

BOLSTER YOUR ITINERARY WITH OUR TRULY IMMERSIVE AND AUTHENTIC EXPERIENCES THAT PROVIDE CONTEXT TO THE UNIQUELY SOUTH AFRICAN CULTURE.

There is a global shift in the reasons why people travel. Travellers are no longer satisfied with simply sightseeing. They want to immerse in a passion or culture, to learn, to go deeper - to connect. Soul Traveller was created with this foundation. Our experiences move beyond traditional one-dimensional models, to truly excite, educate, inspire and connect guests.

DAY EXPERIENCES:

- # Inclusion of our personally tested, considered group experiences into your guest's itinerary.
- # 10:00 - 17:00 experience with set dates your guests can join in on. Ideal for couples and solo travellers.
- # We can also run an experience exclusively for your group of 8 or more, or to the value thereof.

BESPOKE GROUP EXPERIENCES:

- # Curated experiences for your client's need, or to fit their group's passion points and schedule.
- # Day, or multi-day experiences, curated to your brief.

We'd love to work with you. For more information, please contact us at - connect@soultraveller.co.za
